

IN THE UNITED STATES DISTRICT COURT
 FOR THE NORTHERN DISTRICT OF CALIFORNIA
 SAN FRANCISCO DIVISION

Hewlett-Packard Co., et al.,

NO. C 10-02175 JW

Plaintiffs,

**ORDER CONTINUING STAY;
ADMINISTRATIVELY CLOSING CASE**

v.

Microjet Tech. Co. Ltd., et al.,

Defendants.

This case is scheduled for a Case Management Conference on January 30, 2012. On October 11, 2011, the parties filed a Joint Case Management Statement contending that all proceedings in this case are stayed “until final resolution” of an International Trade Commission (“ITC”) investigation. (Docket Item No. 54 at 2-3.) On January 20, 2012, the parties filed a Second Joint Status Statement contending: (1) that the ITC entered a Notice of Final Determination on October 24, 2011; and (2) the time period “in which persons adversely affected by the [ITC’s] decision can appeal to the U.S. Court of Appeals for the Federal Circuit has not yet run,” meaning that “final resolution of the ITC investigation has not yet been reached.” (Docket Item No. 56 at 2.)

In light of the ongoing proceedings related to the ITC investigation, the Court does not find good cause to end the stay in this case. Further, in order to control its own docket, the Court finds good cause to administratively close this case while proceedings related to the ITC investigation are ongoing.

Accordingly, the Clerk of Court shall administratively close this case. Any party may file a motion to reopen this case after the ITC investigation is finally resolved.

Dated: January 24, 2012

JAMES WARE
United States District Chief Judge
